

Jiangyou Municipal People's Government  
To the mayor Liu Jiang

Valkenburg, 4 februari 2020

Dear mayor Liu Jiang,

Last week I received a letter on behalf of you in which you inform us about the situation in Jiangyou regarding the coronavirus. You informed me about the fact that in your city 1 person has been infected and four people were observed in a hospital.

I would like to express my deepest concern for this situation in China, causing huge impact, uncertainty and grief. But I also know that people in China are strong. I have experienced that while visiting Jiangyou a several times and that makes me convinced that you will draw strength from each other to conquer this. I wish you all the best to endure these very difficult times.

You asked us for our help by donating protective masks and other medical supplies. I regret to have to inform you that this is not a responsibility of the mayor or province, but that this is a national affair.

Yours sincerely and with my best regards,

dr. Jan J. Schrijen  
mayor of Valkenburg aan de Geul
